Re: Filing of Electronic Documents

Pursuant to R.C.S.A. §16-50j-12, Filing Requirements, "an electronic version of documents may also be filed by e-mail if parties and intervenors are reasonably able to do so. Electronic filing at siting.council@ct.gov is strongly encouraged."

In an effort to reduce paper usage and allow for accessibility of documents, the Connecticut Siting Council (Council) hereby requests all documents before this agency be filed electronically in addition to the original and 15 copies required. This includes but is not limited to the filing of Development and Management Plans and Petition submittals. Electronic documents may be e-mailed to the Council at siting.council@ct.gov or provided on a disk or flash drive as appropriate.

In addition, structural analysis reports may be bulk filed with two hardcopies provided to the Council.
